The Most
ENERGY-EFFICIENT
Pumps On The Market.

Hayward offers the broadest and most energy-efficient lineup of variable-speed pumps in the industry. But don't take our word for it: all of our pumps are ENERGY STAR certified, and our TriStar VS residential pool pumps are the most energy-efficient pump on the market, according to EPA ENERGY STAR third-party testing data. Every model is designed to save up to 90% on energy costs and can even pay for themselves in as little as a season or two. [Learn More](#)
